# Look at what you do in an entirely new way.

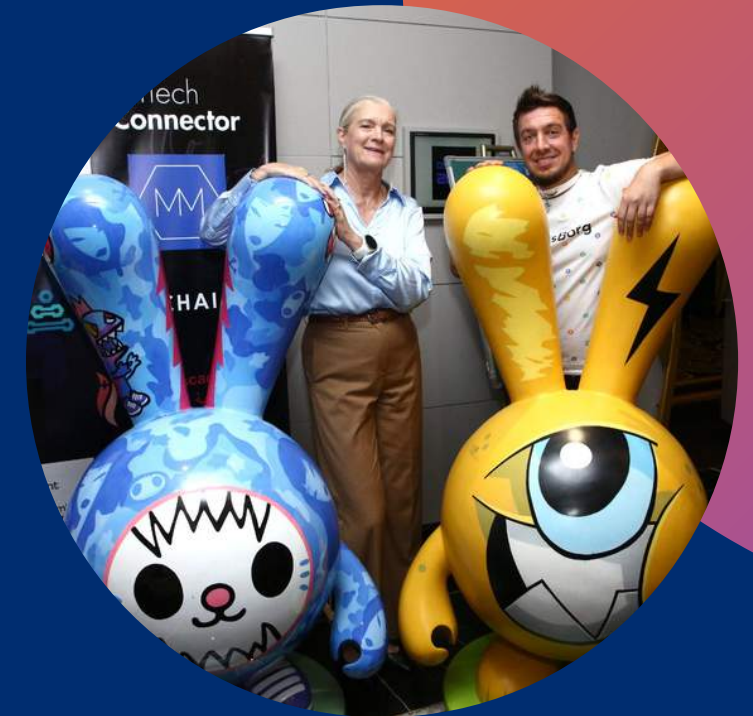

All what you want is to simply do your job. So you hired a team, started searching for investors and events to attend. Sponsored some or did some ads. hired a marketing & PR staff, an investment banker or analyst. Then you think to yourself, "***This is making it easier?***"

**Then there is DSRPTD.** Antonia Savaria of Block (Square) described it as *disrupting the disruptive tech events space*. The power to be your best.

**Then there is DSRPTD.** Walid Abou Zaki of UNLOCK Blockchain Media describes it as *making the experience richer*. The power to be your best.

# 34 Reasons to love DSRPTD

01

### Term sheet and investor relations

2 months to one month before DSRPTD we filter and match the right investors globally with your project or startup for you to meet at DSRPTD

02

### PR, exposure & amplification

Story article or press release amplified across hundreds of press & news for millions of views, reads & visits to your website converting your sales or client acquisition rate higher and drive motivated investors & partners to you.

03

### An out of this world live experience

A get together gathering of the world's most selected startups, investors, industry leaders, and stake holders under one roof (sometimes there is no roof) to start the conversation around what you are doing and build trust & relationships.

04

### Follow up and support

3 months of follow up and deal flow management as well as support in your fundraise, partnerships, as well as marketing and PR after DSRPTD.

If these 4 reasons are not enough. Then ask 30 verified reviewers on Trustpilot why they love DSRPTD
